05 | DECLARATION

- Upon approval, the applicant agrees to comply with the Carbon Standards International requirements
- By my signature, I confirm that the information given in this application is correct.
- By my signature, I confirm to inform the Carbon Standards International immediately of any changes with respect to the application and accept full responsibility for any costs incurred as a result of any changes not reported to Carbon Standards International in accordance with the procedures for approval.
- By my signature, I confirm that my organization has no financial interest in and no conflict of interest with Carbon Standards International and declare that the operations of my organization are in compliance with applicable local/national laws and regulations.
- By my signature I accept the fees for application and will pay it.
- By my signature, I declare that my organization has no pending judicial processes for malpractice, fraud and/or other activity incompatible with its functions as a VVB/CB.
- By my signature, I enter into a binding contract for endorsement with Carbon Standards International AG, Frick/Switzerland. I have taken note of and have understood the General Terms and Conditions of Carbon Standards International AG. I declare my acceptance of those Terms.

WITHDRAWAL FROM THE APPROVAL PROCESS

- (a) Should the signatory elect to formally withdraw from the approval process for any of the CSI scopes, approval fees associated with future tasks specified in this form (contract) but not yet conducted, will not be invoiced.
- (b) Any work carried out in accordance with this form (contract), prior to formal advice of withdrawal, will be charged.
